Letter of resignation

GRAFFITI ARTIST

I hope this letter finds you well. I am writing to formally announce my resignation from my position as a graffiti artist.

I have truly appreciated the opportunity to contribute to the creative endeavors of the team and to help bring art to various spaces in the community. However, after careful consideration, I have decided that it is time for me to pursue new challenges and opportunities in my artistic journey.

I am committed to ensuring a smooth transition during my notice period and I am more than willing to assist in any way to help the team maintain the high standards of creativity that we have always upheld.

I am grateful for the experience and growth, and I will always look back fondly on the memories and collaborations we've shared.

Sincerely yours

**Dear owner,
